

SERIE

EN: Following the lines of the natural model, this series is suited to any situation as a result of its custom-made frame, which provides it with greater watertightness. Its adaptable sizes will blend into any environment.

FR: Conformément au modèle naturel, cette série s'adapte à toutes les situations grâce à son cadre spécialement conçu, qui lui confère une plus grande étanchéité. Ses dimensions adaptables conviennent à tous les environnements.

IT: Seguendo le linee del modello naturale, questa serie si adatta a qualsiasi situazione grazie al suo telaio fatto su misura, che offre una maggiore tenuta stagna. Le sue dimensioni appropriate si integrano in qualsiasi ambiente.

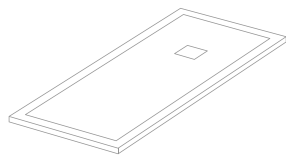

DE: In Anlehnung an natürliche Modelle eignet sich diese Serie aufgrund ihres maßgefertigten Rahmens für jede Situation, was zu einer größeren Wasserdichtigkeit führt. Seine anpassungsfähigen Größen passen sich jeder Umgebung an.
