

# SERIE **K**

**EN:** At the request of market trends, this model is presented as a new version of the conventional shower tray due to its hidden drain, achieving an up-to-date minimalism bathroom.

**IT:** In base alla richiesta della tendenza del mercato, questo modello rappresenta una nuova versione del piatto doccia convenzionale grazie al suo scarico nascosto, realizzando un bagno moderno e minimalista.

**FR:** Pour répondre aux tendances du marché, ce modèle est présenté comme une nouvelle version du receveur de douche conventionnel grâce à son écoulement caché, permettant ainsi d'obtenir une salle de bains minimaliste et moderne.

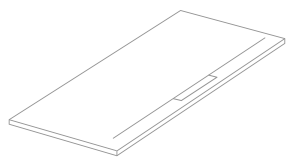

**DE:** Auf Wunsch der Markttrends wird dieses Modell aufgrund seines versteckten Ablauf als eine neue Version der herkömmlichen Duschwanne präsentiert, wodurch ein zeitgemäßes minimalistisches Badezimmer erreicht wird.
